

AMAC Agenda for October 12, 5:30- 7:00 ARTS/West PLEASE SEND ADDITIONS AND INTENTION TO ATTEND.

I. Call to order, legislative update.

II. Old business

Murals

Lift Station – Complete. Thanks to all for expediting this!!

Stimson – **Hopefully Council approves the decommission Mon OCT 10.** AMAC voted to decommission on a basis of deterioration beyond feasible repair. We will need an AMAC volunteer to put together an RFP (Lift station RFP can model). [spring install is reasonable] Time to move forward

WWTP – Alison Stein is ordering materials and cutting stencils to do the murals. She and I discussed desirability of the poems to be large and readable. [I also discussed a Veterans’ day poem with Alison. She will do this, **so it needs to be scheduled in the Veterans’ Day activities.**] She is working on concept for poetry on walls outside council chambers.

Parking garage project update.

Traffic Boxes – Art work is appearing. Most of Phase one is in place. Wonderful feedback. I will try to get Andy Stone to attend Oct 12 to talk about procedural suggestions for next phase. It is time to initiate next phase. We need a chair. Sandra’s RFP is excellent. We need to review it and move forward.

III. Brainstorm for possible suggestions for AMAC member addition ( I hope you’ve been considering this). What skill set do we need. Previous discussion – possible visual artist.

IV. further discussion for honoring Sandra.

V. Announcements: Chelsa, Andrew, Paige

VI. Adjournment

Next Meeting: Nov. 10
