Budget requests and review

- Members agree to \$500 budget for each committee as a baseline that can be adjusted as needed.
- Discussion around Athena Award and Passion Works to create the award:. Pat McGee suggests that instead of spending \$500 on the award itself, that we lower that amount significantly and the rest is donated to the award recipient's non-profit 501C3 charity. Members agreed but need to confirm that city money can be donated to a charity.
