News Release

Arts West Driveway Closure

To facilitate the completion of the Safe Routes to School Miller Avenue Sidewalk Project, scheduled to be completed later this fall, the City of Athens will be working with DV Weber Construction, Inc. to complete changes to the driveway apron at Arts West.

The driveway work will be completed the week of August 20th, during Arts West's scheduled closure period. The driveway to Arts West will be closed during this period of time. Traffic on Miller Avenue will be maintained, however, there will be times that traffic will be flagged.

The City of Athens apologizes for any inconvenience that may be incurred during this work. Questions or concerns may be directed to the City of Athens Engineering and Public Works Department, 740-593-7636.
