

## **AMAC - November 9, 2016**

### **MEETING MINUTES**

Present: Carol Patterson, Beth Braun, Scott Winland, Andrew Chiki, Chelsa Morahan Absent: Kent Butler, Steve Patterson

5:38 called to order

Scott motions to accept the minutes; Beth seconds, Motion carried.

Legislative Update - all current AMAC commissioners were re-appointed at the City Council meeting on November 7th

## **II. Old Business**

### **Murals**

- NEED COMMITTEE for Stimson - use long-form RFP - Beth and Scott will lead committee and aim for January release of RFP
- "Poem on the Wall" - Alison Stine is writing; this is a Mayor's project and Carol will help facilitate
- "Art On the Box" RFP for Round 2 needed. We will use the same RFP as Round 1; Plan to wait a bit for new commissioners to come on board

### **III. Input for new commissioners -**

- Scott, Beth, and Carol contacted potential applicants with mixed results. One (Scott's contact) will apply; Carol's contact may apply
- Beth will contact an additional potential applicant

**IV. Proposal idea** for a fundraiser/event for local artists (like an "Art Walk") which we would curate and the fundraising would be for a local organization; this would include visual and performing arts and take place over a few days during spring or summer; use what AMAC has already helped bring to life as the core of the "celebration" and then expand; conversations with Chelsa and Paige need to be had for timing consideration; energy was building around the parking garage as focus (music on top, art show on first floor)  
, APP installation on Washington wall

### **V. Announcements**

Carol has been approached about a women's artist group doing "bench art" in the near future. Andy suggested that they were thinking about including art on the bike path spur on Columbus Road - this may be a good match.

Andy informs us that the Highland Park playground equipment has been installed and waiting for rubber surface. The neighborhood association really wants art, too!

Madrigal Dinner - December 3 at 6pm at Arts/West

Next Meeting December 14, ARTS/West, 5:30

Adjourn at 6:29
