Held MARCH 27, 2023

ATHENS CITY COUNCIL: SPECIAL SESSION, MONDAY, MARCH 27, 2023, 7:00 P.M.

Athens City Council met in Special Session at the above hour with the following members present: Crawl, McCarey, Swank, Spjeldnes, and Ziff.

Also present: President Pro Tem Risner, Acting Mayor Knisely, and Service-Safety Director Stone.

ONE-READING RESOLUTION:

R-03-23

A RESOLUTION SUPPORTING THE TENTATIVE AWARD OF A CONTRACT FOR DESIGN, CONSTRUCTION, AND CONSTRUCTION ENGINEERING OF THE DAIRY LANE/STAGECOACH SEWER AS PART OF THE CITY/COUNTY SEWER EXPANSION (PROJECT #317). McCarey moved for Adoption; Ziff seconded. Discussion: Swank asked about the cost.

Service-Safety Director Stone responded that the cost will be about \$5.1 million, about \$1 million under estimate.

Swank asked about the path of construction.

Stone replied that it will come from Stagecoach/Blackburn Road, across undeveloped property in the southwestern portion of the City south of Dairy Lane (The Ridges Tier 2 property), then down to and along Dairy Lane and over to Richland Avenue. This also includes a water line in order to provide adequate flow for fire protection to Dairy Lane. The water line will run from the Dairy Lane/Richland Avenue intersection, down Dairy Lane near the City limits to serve all of the habited buildings along Dairy Lane.

Swank asked about the impact to current residents.

Stone explained that the vast majority of the sewer construction is in undeveloped semi-wooded land. The water line will be impactful to folks coming down Dairy Lane, as traffic will be reduced to one lane.

Spjeldnes asked if these lines will be coordinated with utilities for proposed new development on Dairy Lane.

Stone responded, yes, it will be coordinated to support future growth; this is a big step in that direction.

Adoption was approved unanimously.

At approximately 7:10 p.m. Ziff moved to Adjourn the meeting; Swank seconded, and the meeting was adjourned.
