1. Meeting with David

- a. Request to add 30 and 28 Curran to audits (engineer and code office)
 - b. We want to send letters as a pilot with Readily Achievable Barrier Removal information from Code Office, with our information too.
 - i. David is going to get an okay from Mayor for this.
 - ii. First businesses to pilot:
 1. Cvs, Atomic, White's Mill, Sol, Jackie O's, new avalanche, Pizza Cottage
 - a. CVS – pathways
 - b. White's Mills – entrance and pathways and parking
 - c. Sol – parking, tables...
 - d. Jackie O's off Stimson – parking, outside seating
 - e. New Avalanche- inside set up and parking
 - f. Pizza Cottage – not sure but inside – new renovation
 - i. Try the BLT pizza with Pizza cottage.
 2. David asks for Electronic signature scanned to him and for more information about the pilot to be included on the email as well as a contact sheet. Example to run by Dianne:
 - a. "We want your feedback on this. We're trying to make Athens more accessible, and you've been chosen as a place where a lot of people with disabilities frequent or would like to frequent. We'd like to have a discussion and make your location more accessible."
 3. Timeline: end of July to get first five letters sent out.
 4. Feedback on Letter one: would be a use request not a building permit
 - c. If a SeeClickFix City Source app request is made, can a letter go out to them?
 - i. Ask Scott for a report from City Source. – Scott Thompson.
 - d. Green Blast the Brochures. Website the brochure at City of Athens.
 - e. Printing for signage: Annah will send an email to Communications with edits to signage and we can get it set up at a local print shop or two or they can print themselves.
 - f. Next meeting with David in December.
- ### 2. Meeting adjourned 12:57 pm – Noah firsts and Tiffany seconds.
