

## **AMAC - October 12, 2016 Meeting Minutes**

Meeting called to order by chair Carol Patterson

Legislative updates – none

Minutes of Sept 14 – sent via email

Murals: Lift station mural complete. AMAC commended for expediting project.

City Council determined that no action was required to move forward

The parking garage project held a public meeting. Questions still exist about exact budget.

**Traffic Boxes** - Carol suggests that whoever heads the next round should meet with Andy Stone; moving forward we should let city decide where to put the wraps because some of them will work better on some spaces than others and the city is best positioned to make that decision

**Honoring Sandra** - Carol suggests that we contact her husband? Will talk to Paige and see if she has thoughts about ; she will then turn it over to Kent

### **Old Business -**

Stimson is a go so we can move forward with a RFP

WWTP mural has hit a bump; looks like Alison may not finish until next spring. Paula Moseley will work with her.

New AMAC members?

Names from last month - Ellen Hadley (Scott will contact); Dan Harper (Beth will contact); Rosemarie Basile; Colin Glover (Scott will contact); Joyce Mullins (Carol will contact) - If interested, they should turn in a resume and cover letter to the mayor ASAP

Re: Kent's concept of "sin tax" - AMAC is supportive, but feels the Percent for Art language should be addressed first (No. 0-138-07) - Carol suggested that she would sit down with Kent to work on that to present to city council

### **Announcements:**

Chelsa announced that Ann Lampala is donating 3 pieces of her husband's art (metalwork) to the city; 2 will be somewhere at Arts/West and 1 will be at the Community Center

Chelsa announced a reminder re: - "Art of Hosting" - with Linda Waggon from Ohio Citizens for the Arts; October 25th 2:30-4:30pm at Arts/West

Scott will present a proposal for a possible arts fundraiser sponsored by AMAC

6:28 pm Scott motions to adjourn

Next Meeting November 9 at 5:30
